**STATEMENT OF SUBSTANCE OF INTERVIEW**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicant's representative conducted a telephonic interview with the Examiner of record on September 5, 2006. Subsequent to the interview, the Examiner mailed out an Interview Summary, dated September 7, 2006, which requested Applicant file a statement of the substance of an interview. This constitutes a reply to this request.

RECEIVED  
CENTRAL FAX CENTER  
SEP 28 2006

During the interview, Applicant's representative pointed out the differences between the presently pending claims and the primary reference (U.S. Patent No. 6,407,749) relied on in the Office action in rejecting the claims. The Examiner expressed his interpretation of a particular limitation in the claim. Applicant's representative explained how the invention differed from the Examiner's interpretation and the primary reference, and agreed to amend the claims to differentiate the invention.

The Examiner and Applicant's representative further discussed various procedural issues associated with the application, including the Information Disclosure Statement (IDS) filed on October 17, 2005, and the non-appropriateness of making the most recent Office action final based on art cited in that IDS. The Examiner agreed that the Office action was prematurely made final.

Conclusion

If the Examiner has any comments or suggestions that could place this application in even better form, the Examiner is requested to telephone the undersigned attorney at the below-listed number.

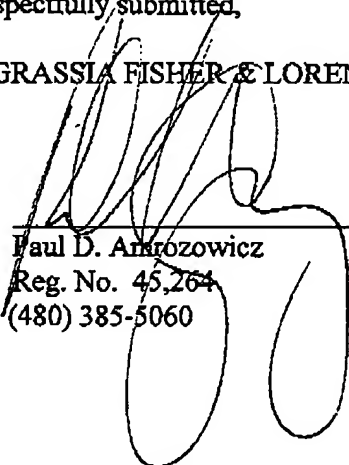

If for some reason Applicant has not paid a sufficient fee for this response, please consider this as authorization to charge Ingrassia, Fisher & Lorenz, Deposit Account No. 50-2091 for any fee which may be due.

Respectfully submitted,
